EXECUTIVE ENGINEER

BILL OF QUANTITY

Name of Work : Renewal of Hydraulic tubing and related valves in the Hydraulic circuitry pertaining to Cutter ladder/spud Ram of the Hydraulic system in Dredger 'KKL'

Division : Port Department Puducherry

Sl No	DESCRIPTION	QTY	RATE		PER	TOTAL
			Rs	P		
1.	The job involves dismantling the old hydraulic seamless tubes and hoses in the hydraulic circuitry pertaining to the cutter ladder/spud ram of the Hydraulic system in dredger 'KKL'. All seamless tubes have to be replaced with new seamless pipes to operate at a system pressure of 400 bar. The approximate requirements of the seamless pipes are 20m of size 12 X 1.5 mm, 50m of size 20 X 2.0mm, 15m of size 22 X 2.0 mm. Standard ermeto couplings are to be used in the tubing so as to ensure leak proof operation at 400bar. All the hydraulic hoses are to be renewed with new hoses of standard fittings. The necessary Hydraulic hoses will be supplied by the Department. The related directional control valves, check valves, ball valves, solenoid coils and gages in the circuitry are to be individually inspected for proper functioning and replaced wherever required. The necessary solenoid coils, valves and gages will be supplied by the department. All men, material, machineries like gas cutting, welding and consumables required, except those specifically mentioned, are at the contractor's cost. The old tubing, hoses, valves, coils removed is to be returned to the department.	1job			1job	
2.	Test running of the Hydraulic circuitry pertaining to cutter ladder/spud ram in the Hydraulic system in Dredger 'KKL' to the satisfaction of the Engineer-in-charge	1job			1job	

TERMS AND CONDITONS

Name of Work: Renewal of Hydraulic tubing and related valves in the Hydraulic circuitry pertaining to Cutter ladder/spud Ram of the Hydraulic system in Dredger 'KKL'

Division : Port Department Puducherry.

NOTE: 1. The terms and conditions mentioned below are for reference, to enable the contractor to give the correct budgetary quote.

2. No EMD or Performance Guarantee need to be deposited while submitting the budgetary quote.

3. The last date for submission of budgetary quote is 3.10.2011.

1. The Executive Engineer, Port Department, Puducherry will be inviting sealed tenders from eligible suppliers/contractors with previous experience of having executed three such similar works. Documents to be produced at the time of purchasing of tender schedule.

2. The rate is to be quoted in the format as given in the BILL OF QUANTITY above.

3. The Earnest Money @ 2% of the quoted amount shall be submitted along with the application while requesting the Tender Schedule. The earnest money deposit shall be in the form of deposit at call receipt / Demand Draft of nationalized bank / Scheduled bank to the credit of the Executive Engineer, Port Department, Puducherry. The tender of the contractors who do not deposit EMD in the prescribed manner will be summarily rejected. The EMD amount need not be deposited for submitting the budgetary quotation.

4. The contractor shall submit an irrevocable performance Guarantee of 5% of the Tendered amount within the period that will be specified in the letter of acceptance.

5. The contractor whose tender is accepted shall permit the Government at the time of making any payment to him for work done under the contract to deduct a sum at the rate of 10% of the gross amount of each running bill till the sum along with the sum already deposited as earnest money will amount to Security deposit of 5% of the Tendered value of the work.

6. Income tax @2%, surcharge @ 3%, Labour cess @1% and VAT @ 2.8% will be deducted in each of the running account bill.

7. The cost of the tender schedule as fixed by the department is to be made while purchasing the schedule.

8. Before quoting, if necessary, the department dredger 'KKL' may be inspected at the site in the New Port Area, Puducherry.
